

Subject: 2010 Fees & Charges

Prepared by: Mike Drummond (CFO)

Meeting Date: 24 June 2010

Report to COUNCIL for decision

SUMMARY

Attached is the 2010 schedule of fees and charges. These are effective from 1 July 2010. These Fees and Charges support the estimated income levels included in the 2010/11 Annual Plan. Councilors attention is drawn to the new administration fee of \$10 per load for water supplied from the Waipawa water treatment plant and the \$50 fee for special water meter readings eg on change of owner.

As a result of the change in rate for GST effective from 1 October 2010 a revised schedule will be presented to Council for adoption in August 2010. This revised schedule will be effective from 1 October 2010. It will include the minor changes necessary as a result of the increase in the rate of GST. These minor changes are necessary to align GST inclusive fees to coinage e.g. pool fees, library charges and parking, or to practicable dollar amounts.

RECOMMENDATIONS

That the Council

1. receives the report
2. resolves to set the fees and charges effective from 1 July 2010 in accordance with the attached schedule with all Fees and Charges plus GST at the prevailing rate.
