## The Vision Story

Gisborne/Tairāwhiti needs to be more than a place just for today. Those who follow after us must inherit a place that is better than it is now.

Council will take responsibility for leading its communities now and into the future. It will not direct but will help to shape, collaborating with and listening to its communities and seeking the best advice.

Tuatahi ka whiriwhiri mai rā

## What do we hear people asking?

- ▶ Lead and be advocates with and for our communities.
- ▶ Enhance the environment so we can provide for the needs of our tamariki, mokopuna.
- ▶ Create a place that looks and feels great and where lifestyle and enterprise thrive together.
- ▶ Provide us with the guidance and support but allow us the freedom to live our lives.
- ▶ Protect our assets, not just the pipes and the roads but also our heritage, taonga and our social and cultural assets.
- ▶ Be prudent with our finances and resources.
- ▶ Work with us, value everyone – do it together

Mō mātou ka tahi  
Mō koutou ka rua  
Mō tātou ka toru  
Mō rātou ka whā  
Ka mau te wehi.

Gisborne/Tairāwhiti is New Zealand's preferred region for lifestyle based on the quality of our environment, the enterprise of our people and our special identity.
