--	--

I/we confirm the floor height at [address]
 building consent number is 8.65RL as required for this subdivision and as
 stated in the Certificate of Title Consent Notices.

I have sighted the issued building consent and read the conditions. As the contractor/builder I can
 confirm that the building works have been carried out in accordance with the requirements of the
 New Zealand Building Code, the conditions of the building consent, the design drawings and
 specifications and in accordance with the listed variations (if any).

I understand that if this statement is accepted, that it may be used to verify that the building work as
 specified in the attached particulars, the subject of this building consent meets, **based on
 reasonable grounds**, the requirements of this building consent.
