Delegation by Chief Executive to Officers

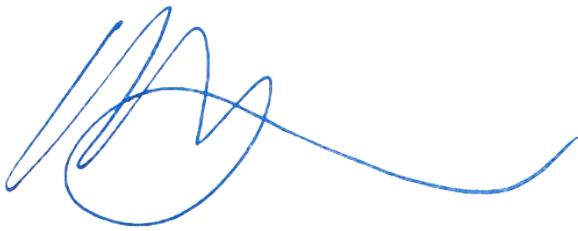

By resolution dated 27 June 2019, the Gisborne District Council delegated to the Chief Executive all responsibilities, functions and powers to act on any matter, excluding those matters in respect of which delegation is prohibited by legislation. Council did not impose any legal restrictions on the delegation. A copy of the Instrument of Delegation is included as an Appendix.

Under sections 32(3) and s 32B(1) of the Local Government Act 2002, the I hereby.

- (1) delegate the powers listed in the Tables 2 and 3 to the persons holding the offices specified alongside those powers; and
- (2) revoke all previous delegations of these powers to officers of the Gisborne District Council.

The General Principles of Delegation set out below apply to the delegations.

Signed:

Nedine Thatcher Swann
Chief Executive
Gisborne District Council

Date: 27 June 2019

General Principles of Delegation

Acting

Functions or powers delegated to holders of an office may be exercised by a person who has been appointed to act in the office.

Changes to team or office name

A specified office or class of office includes an office that carries the same – or substantially the same – responsibility as the specified office and is intended to replace – or substantially replace – the specified office.

Other parties able to act

The delegation of authority does not prevent another authorised party from exercising the function, power or duty.

Non-discretionary duties

The delegation tables (Tables 2 and 3) list only those functions, powers and duties which involve discretionary decision-making. All staff have authority to perform non-discretionary duties (those not listed) on behalf of the Council, within the general scope of their role.

Expectations

Delegates should act in accordance with the expectations listed below. For the avoidance of doubt, these expectations are not intended as legal conditions or limitations in the scope of the powers delegated.

1. Officers should act in accordance with their financial delegations and within budgetary constraints.
2. Officers should comply with Council policies and procedures relating to the exercise of the functions and powers.
