GISBORNE DISTRICT COUNCIL

Second-Hand SUNDAY

SUNDAY 11 OCTOBER
9am – Noon

"We enjoyed Secondhand Sunday. We got rid of all our unwanted items in less than one hour and had a great time talking to all the people who turned up at our gate."

"Our old 1970-80 light shade went so fast it would make your head spin. I'm all for it as my husband is a hoarder so it gets rid of junk we don't need".

HOW DOES IT WORK?

1. Identify items that you no longer want and collect them in readiness for the day.
2. Registration will increase the chances of your items being collected. Registered properties will be advertised. Register by phoning Council on 867 2049 ext. 8635 before 5pm the Thursday before or by visiting www.gdc.govt.nz and clicking on the Second Hand Sunday link.
3. Identify a suitable and visible site at the property boundary such as the driveway, or next to the letterbox, where items to be given away are to be placed.
4. On Sunday between 9.00am and Noon:
 - ❖ Display the sign (on the back of this leaflet) on your letter box so people know you have items to give away.
 - ❖ Place items to be given away in your selected area.
 - ❖ Once items have all gone put a note on your box saying "Sorry, all gone".
 - ❖ Be there to keep an eye on what is happening and to meet local fossickers.
 - ❖ By Noon remove the sign and pack up anything left over.

NOTE: You are responsible for any items that are not taken away. (If it is left outside your property you are in breach of bylaws related to dumping.)

Who is Participating? A list of participating addresses will be published in the Herald on the Saturday prior to the event. A list will also be available at Council, the Library and on the GDC website: www.gdc.govt.nz

Exclusions: No food or dangerous goods (chemicals, faulty electrical equipment, firearms or rubbish).

If you are Collecting Items: Only collect items at households where the Secondhand Sunday sign is displayed. Only between the advertised hours (not earlier). **Do not enter their properties — no-one wants to trespass.** You are recommended to have everything you collect checked to make sure it is safe.

What to do with Leftover Materials: These can be put away again or you may wish to consider other outlets. Consider the 5R's of Reduce, Reuse, Recycle, Recover and lastly residual waste to landfill.

We encourage queries and / comments about the event by phoning 867 2049 ext.8635 or e-mail anne@gdc.govt.nz

Disclaimer: By your participation in the Secondhand Sunday activities you agree to abide by the terms and conditions set out above and that the Gisborne District Council has no liability to any person for any loss of or damage to goods or for injury to or death of persons whether arising from negligence or otherwise and in anyway caused by or connected with the Secondhand Sunday activities.
