## 5.0 Maintenance

---

### 5.0 MAINTENANCE

To protect, enhance and develop the recreational use of the reserve for the benefit, use and enjoyment of the sporting public.

#### **Policies**

- a. The Council will maintain all present and future facilities in a manner that is consistent with the character of the reserve and its adjacent facilities.
- b. Measures aimed at reducing and eventually eliminating vandalism shall be investigated and where appropriate actioned.
- c. The Council will encourage adjoining landowners to take an active interest in the reserve by seeking their co-operation and support over management practises on their own land, ensuring by education and regular contact they remain sympathetic to the reserve and its intrinsic values.
- d. In order to protect the safety of the public, or for the purpose of maintenance requirements the Council retains the power to close any recreational reserve under its administration.

### 5.1 Fences and Boundaries

**Objective** ▶ In conjunction with adjoining landowners to appropriately fence the boundaries of the reserve in a manner which clearly defines private from reserve land.

#### **Policies**

- a. All fences and boundaries must comply with the provisions of the District Plan and the Building Act 1991.
- b. Vehicle barriers approved by the Council will be established where necessary.
- c. Fences and boundaries will be of a design which is consistent with their intended function and use.
