Brief description of proposed activity

Te Karaka Stopbank Upgrade

Position on application

I support the application

Clearly state which parts of the application you support or  
oppose or wish to have amended:

I Pimia Wehi fully support all parts of the application for the  
resource consent to upgrade Te Karaka Stopbanks

The reason for making my submissions are (briefly describe  
the reasons for your views):

I was 14 at the time of Cyclone Bola, the current stop banks  
were not fully completed hence apart of Te Karaka was heavily  
impacted by flooding. At 14th February 2023, I was in the village  
of Te Karaka (Cooksons Knoll). We physically saw all our streets  
turn to streams and rivers! These upgrades can only be a  
positive for our community during another event.

I wish the Gisborne District Council to make the following  
decision (give details, including nature of any conditions  
sought):

I wish to speak at the hearing in support of my submission

No

Would you consider presenting a joint case with others who  
have made a similar submission?

No

## Confirmation
