

Application form Gambling Venue

Under Gisborne District Council Gambling Venue Policy

Important information you should know

An application for a gambling venue or relocation of a venue must be consistent with requirements set out in Clause 8.1 of the Gisborne District Council Gambling Venue Policy

The following must be included with your application:

Description of the primary activity for a Class 4 venue.

Legal street address and exterior photo of the proposed premises.

A copy of the proposed gambling harm minimisation policy, including the staff training programme and details of how underage access and use will be controlled.

Details of any alcohol licence associated with the venue or proposed for the venue.

Sufficient information to demonstrate the primary activity of any Class 4 venue will not be the operation of gaming machines.

Sufficient detail about design and layout of the venue to demonstrate how the operation of gaming machines will not be audible or visual from beyond the venue boundary.

Details of proposed venue signage to demonstrate the venue will comply with Clause 6.1 of the Gisborne District Council Gambling Venue Policy.

Written approval from the property owner.

Evidence of public notification of the application.

Assessment of proposed location in proximity to any kindergarten, early childhood centre, school, place of worship, marae or other community facility that is established at the time of lodging this application.
