Type of resource consent applied for

Brief description of proposed activity

Construction of a building on Kaiti Hill

Position on application

I oppose the application

Clearly state which parts of the application you support or oppose or wish to have amended:

I am opposed to the summit of Kaiti Hill being developed into a commercial facility, particularly "a kiosk for the sale of food" in direct contravention of the stated purpose for this maunga.

The reason for making my submissions are (briefly describe the reasons for your views):

This reserve was donated to the city of Gisborne with the condition that it not be used for any commercial activity and in my opinion, a facility to be built on the summit is contravening the terms of the donation of this land. If the report in the Gisborne Herald was correctly reported, an employee of the Council was quoted as saying "this stipulation was a long time ago and none of those people are around any more " This is an atrocious attitude and clearly in contravention of Te Tiriti o Waitangi.

I wish the Gisborne District Council to make the following decision (give details, including nature of any conditions sought):

I wish for the council to replace the now demolished Observatory and retain the top of Kaiti Hill as a public reserve available for all to use with no commercial premises as originally stated.

I wish to speak at the hearing in support of my submission
