**containerisation will have huge benefits for the local horticulture and produce industries and without a twin berth this won't be possible.**

I wish the Gisborne District Council to make the following decision (give details, including the nature of any conditions sought):

Gisborne growers want GDC to grant the resource consent to enable the upgrade and expansion of the port.  
our industry is growing quickly and we need these facilities in place to operate in the future. without this development we will stagnate.
