## Submission on:

**Application** CP-2022-111365-00 /CD-2022-111366-00/CC-2022-111367-00/CR-2022-111368-00/CO-2022-111369-00/NC-2022-111370-00/LU-2022-111371-00

**Name of** Eastland Port Ltd

**Applicant**

**Type of** refer to above consent numbers

**resource**

**consent**

**applied for**

**Brief** Extension of wharf 8, reclamation of the Coastal Marine area next to the southern log yard, rebuilding the outer  
**description** breakwater, upgrading stormwater treatment infrastructure in the sly, capital and maintenance dredging with  
**of** disposal of dredged material to the off shore disposal ground.

**proposed**

**activity**

**Position on** I oppose the application

**application**

**Clearly** i oppose all of the proposed activity, due to effects on tangaroa, and for the habitat loss to many taonga species that  
**state which** currently occupy all of this area.

**parts of the**

**application**

**you**

**support or**

**oppose or**

**wish to**

**have**

**amended:**

**The reason** I am Tanagata Whenua and one part of the maori world view is that everything is connected, thru Whakapapa we  
**for making** connect back to the gods one of these gods is tangaroa, these proposed activities will impact physically and  
**my** spirritually upon tangaroa so there for, us as maori.This area is significant to all New Zealanders a statement made by  
**submission** sir Neil Begg, (there is no other single site of such significance in the history of new zealand as this one. It is almost  
**s are** impossible to overstate the significance for New Zealand of the event commemorated by the cook monument at  
**(briefly** kaiti beach, Gisborne.It is the landing place to many waka.The reef itself holds a waahi tapu status wy11 canoe  
**describe** landing place (gisborne distric council)The moana is a traditional kai source and have feed maori for 800 or more

**the reasons for your views):** years(karen pewhairangi te whanau a iwi chair) It is a habitat to many taonga species and one inparticular korora that has already been heavily impacted on by eastland port in 2021 described by professor john cocrem as unpresident for aotearoa.In my view if we let this go ahead it will be looked apon from the next generation as we look in disbelife now at the blowing up of Te Toka-a-Taiau.

**I wish the Gisborne District Council to make the following decision (give details, including nature of any conditions sought):** Gisborne District Council i am calling on you to oppose this concent put forward.So we can all enjoy this area without getting sick from the treatment entering the moana.So that we can safely collect healthy kai for our whanau.So that our Taonga species can thrive in their natural habitats, and so that we as a community and country can honestly say we are implimenting change for the climate crises the world is faceing.We are kaitiaki for this particular peace of the pacific ocean witch we share with our pacific island nations so it our responsability to be respectful to the enviroment in witch we occupy.

**I wish to speak at the hearing in support of my submission** Yes

**Would you consider presenting a joint case with others who have made a similar submission ?** Yes

## Confirmation

**Are you submitting this form on behalf of another person?** No  
**I confirm that all the above details are correct.** Yes
