Dear Katerina

**GISBORNE WASTEWATER NETWORK - OVERFLOW DISCHARGES - EVIDENCE IN CHIEF
FOR THE APPLICANT – APP REF DW-2020-109732-00 / WD-2020-109733-00**

1. We act for Gisborne District Council – Community Lifelines in its capacity as Applicant in relation to the above applications (**Applicant**).
2. We refer to the Hearing Panel’s directions dated 16 June 2021 directing the Applicant to file its evidence by midday on Friday 25th June 2021. Accordingly, please find **attached** the following eleven briefs of evidence:
 - (a) Dave Wilson – Overview and Governance
 - (b) Neville West – Overview of Wastewater Network, Issues and Responses
 - (c) Wolfgang Kanz – DrainWise Programme and Consultation with Tangata Whenua
 - (d) Ian Garside – Wastewater Network Modelling
 - (e) Bridget Bosworth – Analysis of Rainfall and Overflow Events
 - (f) Dr Brett Beamsley – Hydrodynamic Modelling
 - (g) Dr Shane Kelly - Ecology
 - (h) Dr Peter Wilson – Water Quality
 - (i) Dr Michael Stewart – Ecology (Emerging Organic Contaminants)
 - (j) Dr Christopher Dada – Quantitative Microbial Risk Assessment
 - (k) Ian Mayhew – Planning.
3. Please feel free to contact me if there are any questions.

Yours faithfully

COONEY LEES MORGAN
