

- Email the completed form to service@gdc.govt.nz or deliver it to our Catchments & Biodiversity Team at the Gisborne District Council.
- Sometimes demand may exceed supply, so we cannot guarantee that all the orders can be filled. Harvesting of poles begins in June. Poles can be collected from early July to mid-September.
- No tree sleeves will be available until early July.
- Please check our website for current prices.
- Pole load outs at the Waerenga-o-Kuri Nursery will occur on Tuesdays and Wednesdays only.
- Please contact one of our Land Management Officers on (06) 867 2049 at least 3 days prior to the day you plan to pick up your order to confirm the time and location of pick up.
- A \$1 surcharge per pole will be applied to sharpened poles.

Poplar, willow poles & tree sleeves
