- · Applications can not be accepted where the CCC has been issued.

#### Application Processing

Regulations require applications to be processed within 20 working days (excluding any time taken for the applicant to provide additional information). However, council will take all possible steps to ensure your application is processed with due priority. To avoid delays in processing your application, please ensure this form is signed, completed correctly and has all relevant documents are attached.

#### Application Approval

Your application must be approved BEFORE the building work is carried out. You will be advised in writing of the application outcome. An invoice will be generated if charges apply for additional fees/levies or inspections. Approved amended consent documents and plans will be sent to you. These documents must be stored on site.
