Dear Todd

**RE: GISBORNE WASTEWATER NETWORK DISCHARGE CONSENT – RESPONSE TO REQUEST FOR FURTHER INFORMATION**

Thank you for the Resource Management Act (RMA) Section 92 further information request, dated 06 November 2020 in relation to the consent application lodged by Gisborne District Council (Council or the Applicant) for dry and wet weather wastewater overflows across the network.

Council's responses to the questions are provided in the attachments to this letter, which include both a summary response and responses from Council's specialists to the technical questions that have been raised.

If you have any further questions, please contact the undersigned.

Kind regards,

**Ian Mayhew**  
Technical Director, Planning and Policy  
4Sight Consulting Ltd
