Comments:

- 1) TMD 11 will be installed to cater for any future GDC events held at Churchill Park.
TTM will remain in place for the whole duration of the event.
- 2) No entranceways or crossing points will be obstructed by TTM.
- 3) No parking delineations and signage will be installed on SH 35 to mitigate public parking on the highway.
Event parking will be available within the blue area.
- 4) Once event is finished all static TTM can be safely removed.
