Letter of support

To whom it may concern of the Ministry of Education,

This letter is to provide support for the building of Te Kura Kaupapa Māori o Horouta Wānanga on the historical lands originally owned by Ngāti Oneone.

The build is of significance to our Pā and Hapū as it is a clear stepping stone to achieve our strategies vision of Mātauranga for our Uri, and all those who also wish to participate in the Kura. Having Te Kura Kaupapa Māori o Horouta Wananga within reach of our Pa will ensure that, like everything, our mokopuna can see, feel, and hear their connectedness to Te Poho o Rawiri Marae and become kaitiaki for the whenua, tangata, awa and all things.

Without doubt the building of this Kura is absolutely endorsed and supported by Te Poho o Rawiri Marae Committee and Trustees.
