15. Privacy information				
The information you have provided on this form is required	so that your applic	sation can b	o processed under the	DMA and statistics as

The information you have provided on this form is required so that your application can be processed under the RMA and statistics can be collected by Council. The information will be stored on a public register held by Council. The details may also be made available to the public on Council's website. These details are collected to inform the general public and community groups about all consents which have been issued through Council. If you would like to request access to, or correct your details, please contact Council.

16. Checklist for completing your application

To ensure your application will be accepted by Council for processing, this checklist sets out the information required to be lodged with your application for a resource consent. This is a generic list of information required to be lodged with all resource consent applications. For some activities, specific information requirements are detailed in activity specific information requirement checklists. If any of the required information is not supplied Council will not accept the application and will return the documentation and deposit fee.

Lodging

Two methods for consent applications to be lodged are:

- Digital applications to be emailed to rclodgement@gdc.govt.nz
 Please note if the combined file size of your documents exceeds 30MB you will need to contact Consent Coordinators on the above email address. Staff responding will send out a secure link to upload your files.
- Physical applications, lodged in person over the front counter. These will need to be lodged with the Duty Planner at Council Offices. Two paper copies (including one unbound) of all the information is required.
